

# CS Standard Products

## Technical Corks

### CS 1+1

CS 1+1 offers the traditional appearance and sustainability of natural cork with the consistent performance of high quality technical cork. CS 1+1 has an agglomerated body with natural cork discs at each end. Each natural cork disc goes through the Innocork® process, our exclusive and patented TCA extraction system, for maximum sensory performance.

100% of our natural cork discs undergo the patented INNOCORK® process.  
100% of our granules undergo the Vapex® process.

**RELEASABLE TCA**  
≤ 1,5 ng/L <sup>(1)</sup>
