

DS100 Cuvée 0+2

The DS100 Cuvée 0+2 is the most premium cork closure for Champagnes and sparkling wines and is seen in some of the most prestigious wines in the world. The corks are carefully selected and the DS100 service gives these corks the maximum guarantee of sensory neutrality. Every DS100 cork is screened by our panel of trained sensory specialists to ensure that the corks are approved for your wine.

100% of our natural cork discs undergo the patented INNO^{CORK}® process.
100% of our granules undergo the *Vapex*® process.
