DS100+ Natural

The DS100+ natural cork is individually inspected and guaranteed to be TCA taint-free, making it another premium option for some of the most prestigious wines in the world. While the DS100 service is total sensory guarantee and eliminates corks with any off-aroma, the DS100+ technology eliminates natural corks that have TCA above 1ng/L.

100% of our natural corks undergo the patented INNOCORK® process.
